
OCCUPATIONAL HEALTH & SAFETY POLICY

The safety and well being of all our employees and subcontractors is of utmost importance and it is Badenport Constructions wish that all employees and subcontractors regard this as their highest priority.

It is vital that the health, safety and well being of our employees and subcontractors should not be impaired as a result of working with Badenport Constructions.

It is our Policy to emphasize to all employees and subcontractors the need to take the initiative in anticipating, preventing and correcting the conditions and practices that may cause physical harm to themselves or other persons, and to the general public.

It is important that all employees and subcontractors strive to achieve a working environment where safety incidents and injuries are eliminated.

Through safety training, the conscientious application of appropriate procedures, and safe working practices Badenport Constructions aims to provide a safe working environment.
